

## **Biography:**

### **Rob Cox, Technical Director and Program Manager, OGP-IPIECA OSR-JIP, IPIECA**

Rob Cox has over twenty years of international petroleum industry experience as an expatriate with Caltex (now Chevron) in Africa, the Middle East and the United States. For the past 10 years he has been Technical Director of the International Petroleum Industry Environmental Conservation Association (IPIECA) in London.

Rob's background combines field experience in Environment, Health & Safety aspects of shipping, refining, distribution and retail marketing, as well as Environmental Management System implementation, audit, & review.

Rob is currently seconded to the position of program manager of the newly established joint project with the Oil & Gas Producers association (OGP) to establish and implement the oil spill response lessons learned from the Montara and Macondo oil spills.

Rob holds a Bachelors degree in Chemistry and Biochemistry from the University of Dundee in Scotland and a Postgraduate Diploma in Advanced Environmental Practice from Farnborough College in England.
