

Interspill 2022 Programme as at 16 Jun 2022

Monday 20 June

From	To	Activity				
1200	1230	Registration				
1230	1445	Oil Spill Fundamentals *1 E105 Capacity: 50	Crisis Management *1 E103 Capacity 50+			
1445	1515	Coffee Break				
1515	1730	Oil Spill Fundamentals *2 E105 Capacity: 50	Claims and Compensation *2 E103 Capacity: 50			
1730	1830	Hotel Registrations and Transfer to Port by Metro for those going to On Water Demonstration				
1830	2130	On Water Demonstration – Zouthaven				

Tuesday 21 June - AM

From	To	Activity
0830	0930	Interspill Registration Door E
0900	1900	Interspill Exhibition Opens
0930	1100	Interspill 2022 Opening Ceremony in Auditorium- Keynote Speakers: Sander Winckels, Rijkswaterstaat Ms Maja Markovčić Kostelac, EMSA Executive Director Morten Mikkelsen, IPIECA Chair
1100	1200	Keynote Speakers Tour Exhibition to meet Exhibitors and view Posters
1130	1230	Poster Session (All poster authors to be available to present/discuss their posters) – Exhibition Area
1230	1330	Refreshment break and networking in Exhibition Area

Tuesday 21 June - PM

From	To	Science and Innovation Workshops Seminar Area	Conference Stream 1 Room E102	Conference Stream 2 Room E103/4	Conference Stream 3 Room E107/8	Interspill Academy Room E105	Interspill Academy Room E106
1330	1500	Science *1 Trends in propulsion (CEDRE)	Session 1 Incident Management #1 (tools, decision making)	Session 2 Contingency Planning & Preparedness	Session 3 Hazardous and Noxious Substances		
1500	1530	Refreshment break and networking in Exhibition Area					
1530	1700	Innovation *1 Ayles Fernie SpillTech Surf Cleaner	Session 4 Offshore Surface Response	Session 5 Surveillance Modelling & Visualisation #1	Session 6 Shipping Risks (marine fuels) #1		
1700	1900	Interspill Reception in Exhibition Area					
1730	1830					Interspill Academy IOPC Funds/IG P&I Pollution response claims	Interspill Academy: IOPC Funds/VNCI HNS Reporting and Contribution
	1900	Exhibition Closes					

Wednesday 22 June

From	To	Science and Innovation Workshops Seminar Area	Conference Stream 1 Room E102	Conference Stream 2 Room E103/4	Conference Stream 3 Room E107/8	Interspill Academy Room E107/8	Interspill Academy Room E102	Interspill Academy Room E103/4
0830	0900	Interspill Registration Door E and Exhibition Open						
0930	1100	Special Plenary Session in Auditorium Dr Sabrina Cohen-Hatton						
1100	1230	Science *2 Atmospheric pollution from chemical slicks (CEDRE)	Session 7 Incident Management (response experiences and the pandemic) #2	Session 8 Outreach and Communications (Tools and guides) #1	Premiam Conference - 1 Developments & innovation in Post-spill Environmental Monitoring			
1230	1330	Refreshment break and networking in Exhibition Area						
1230	1430	Diversity, Equality and Inclusion Lunch and Workshops (incl. Dr Cohen-Hatton) – D201/2 Eliceum Building (adjacent Hall 10)						
1330	1430	Review Poster Displays						
1430	1600	Innovation *2 Orbital EOS DESMI Vikoma Lamor	Session 9 Subsea Response	Session 10 Shipping Risks #2	Premiam Conference - 2 Emerging Threats – implications for monitoring and impacts			
1600	1630	Refreshment break and networking in Exhibition Area						
1630	1800	Science*3 The issue of plastic pollution (ITOPF)	Session 11 Dispersants	Session 12 Inland Response	Premiam Conference - 3 Post Spill Monitopring – The International Context			

1800	1900					Interspill Academy: IOPC Funds/IOPF Claims for environmental damage and post spill studies	Interspill Academy: Orbital EOS Satellite Surveillance - unbundling the myths!	Interspill Academy: IOPC Funds/REMPEC HNS Tools and Guidelines
